### Jennifer Would Like To Thank:

Ralf Metzler - Producer And Co-Composer Without Whom This Project Would Have Stayed In A Notebook, On My Phone Recordings Or In My Mind And Would Not Have Had The Chance To Come Alive To Be Shared With You All. Ralf, You Are An Extraordinarily Creative And Talented Musician And A Magnificent Person, Thank You For The Fun And Productive Studio Sessions, Delicious Coffee, Pleasant Atmosphere And For Your Utmost Professionalism Combined With Your Heartfelt Friendship.

Ben - For Being My Sun And Inspiration.

Manu - For Making The Impossible Seem Possible.

Sabine Soucek - For Her Friendship, Support, Guidance And Of Course For Introducing Me To Ralf And To Chris.

Chris Meischl - For The Fun Photoshoot And The Photos That Capture More Than Words.

Mladen Delic - For The Successful Cover Photo.

To All The Amazing Musicians Who Worked On This Album And Breathed Life Into The Music.

And Finally - To My Parents | Family & Mentors | Friends, Those Along The Way Who Hired Me, Chose Me, Inspired Me And Kept Me On This Path...

### LeeBelle Music Announces Thank To:

Jennifer Maines - For Your Creativity And Musicality, Your Talent And Your Wonderful Voice.

To My Incredible Music Team, With Whom I Have Been Able To Work Together For So Many Years.

Universal Music Germany - For Many Years Of Professional Cooperation.

**Villain**

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

Worried And Broken Penniless And Abandoned  
 How Can Someone Like Me Catch Your Eye  
 Sitting In Shadows Far Away From The Meadows  
 Where Your Big Brown Eyes Read The Skies

I've Never Taken A Chance  
 Thought I'm Worth Half A Glance  
 Everyday I Feel Rising Inside

It's Time To Take Up The Fight  
 Step Back Into The Light  
 Face The Villain That Comes In The Night

And Be The Hero, Hero, Hero Of The Night  
 Be The Hero, Hero, Hero In Your Eyes

Battling Confusion Is It Real Or Illusion  
 That Your Hand Held Mine When I Died  
 Stumbling Through Needles Trying To Fly Like An Eagle  
 How Can Someone Like Me Reach New Heights

I've Never Taken A Chance  
 Thought I'm Worth Half A Glance  
 Everyday I Feel Rising Inside

It's Time To Take Up The Fight  
 Step Back Into The Light  
 Face The Villain That Comes In The Night

And Be The Hero, Hero, Hero Of The Night  
 Be The Hero, Hero, Hero In Your Eyes

Floating In Blackness  
 Cursing Him As My Witness  
 Is It Gold He Wants Or My Pride  
 Those Eyes From The Alley  
 Always Come Back To Haunt Me  
 Should I Run Away And Hide

Or Be The Hero, Hero, Hero Of The Night  
 Be The Hero, Hero, Hero In Your Eyes

Or Be The Villain, Be The Villain  
 Villain In Your Eyes...

### Devil's Bitch

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

Devil's Bitch, Devil's Bitch

I've A Devil In My Stomach And He's Driving Me To Say  
All The Shitty Things About You, All The Shit From Day To Day  
I've A Devil In My Stomach And He's Making Me Feel Sick  
Overpowered, Oversoured, I'm Behaving Like A Prick

I've Got Devil In Me  
I've Got Devil In Me

I've Been Asking For Salvation  
I've Been Asking For Relief  
I've Been Asking For Some Healing  
O God, Help Me To Believe  
He's Really In My System  
He's The Poison In My Blood  
He's Really Wreaking Havoc  
Should'a Killed Him When I...

I've Got Devil In Me  
I've Got Devil In Me  
I've Got Devil In Me  
I've Got Devil In Me

He's Been Really Throwing Punches And He's Tied Me Up In Knots  
He's A Real Mother-Fucker And He's Calling All The Shots

Tried To Cheat 'Em Out Of Winning, Tried To Get 'em On A Bluff  
Read The Bible And The Scriptures, Did That Meditation Stuff

Held My Cards Tightly To Me, Didn't Let 'em See Me Twitch  
But The Devil's Still Inside Me And He's Makin' Me His Bitch

I've Got Devil In Me...

## In The Opera

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

Diva, Diva...

I've Been A Call Girl And A Tramp, A Geisha With A Fan  
Did Black Magic, Had A Lair Flaunted Boticelli Hair  
Jumped From A Rooftop Was A Sham, Woke Up Homeless And Was Banned  
Sported Sideburns And Some Pants, Et Voilà I Was A Man

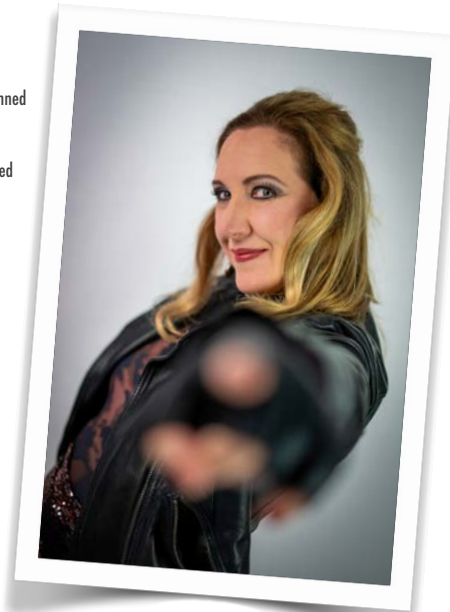

Said Some Riddles, Chopped Some Heads, Held A Muff On Her Deathbed  
Hid A Hunted Man From Joe, Stole A Kiss With Don Juan - Oh!  
Tried To Save A Mother's Son From A Gypsy's Bandit Fate  
Held A Head Dripping With Blood, 'Cause He Didn't Want To Date

She's A Diva In The Opera, She's A Diva In The Opera  
She's A Diva In The Opera - Diva...

Was A Teacher And A Vamp, A Mob Boss In A Van  
Saw The Future, Came From Hell, Was A Jilted Mademoiselle  
Lived In A Cave By The Monks, Got My Rosy Cheek Cut Up  
Taught A Boxer How To Count, Denied Papers All Around

Loved A Cursed Sailor-Man, And A King From Ole Siam  
Was A Valkyrie In Flames, Served A Queen Who Was Defamed  
Gave The Bell Boy A Bj, Voiced An Angel From Offstage  
Wandered Cent'ries At A Loss 'Cause I Scorned Him On The Cross

She's A Diva In The Opera, She's A Diva In The Opera  
She's A Diva In The Opera - Diva...

This Song Is Interactive For All Opera Lovers:

## The Suitcase

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

I Stood There Trampling The Flowers, Suitcase In My Hand  
The Sun Glowing In The Distance, Lighting Up The Foreign Land

Not Sure To Step Forward Or A Few Paces Back  
I Stood There Frozen, Didn't Know Where I Was In The Act

Like Those Dreams Of The Stage, The Diva In Distress  
Where The Music Doesn't Stop And My Lines Are A Mess

What The Hell Am I Sayin - What The Hell's Going On  
Why Didn't I Learn All My Songs

So I Stood There Trodding 'N The Field Of Golden Lace  
My Arm Was Getting Tired From The Mysterious Weight

And I Asked In My Inner-Voice  
"Can I Really Be Free?"  
She Said: "It's My Suitcase, If I Leave It, It's All Up To Me..."

It's All Up To Me, All Up To Me, All Up To Me, All Up To Me  
It's All Up To Me...

I Put It Down, The Weight Of The Past  
And I Didn't Look Back  
I Was Purged At Long Last

I Felt A Breath Deep Inside Of Me The Kind You Feel When All's At Peace  
When The Dew Has Settled And Everything's Calm  
And You're Suddenly Back In Your Mother's Arms

It's All Up To Me, All Up To Me, All Up To Me, All Up To Me  
It's All Up To Me...

## Love Astray

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

Last Week You Told Me, I'm All You'd Ever Need  
You Whispered You Loved Me When You Thought I Was Fast Asleep  
But This Week You're Sorry, You're Feeling Confined  
And I Can't Help Knowing Your Fear's Changed Your Mind

You're Running Away  
Love's Gone In A Day  
It's All Faded Out  
It's All Turned To Grey  
You're Running Away  
Got No More To Say  
We've Been Here Before  
It's Your Double Play  
You're Running Away, Running Away  
Away...

Came Back On A Sunday Told Me Again You've Changed  
Back Into Our Rhythm You Treated Me Like A Saint  
But Now You Feel Lonely, You Just Don't Know Why  
And I Can't Help Knowing Your Fear's In Your Mind

You're Running Away  
Love's Gone In A Day  
It's All Faded Out  
It's All Turned To Grey  
You're Running Away  
Got No More To Say  
We've Been Here Before  
It's Your Double Play  
You're Running Away  
You're Running Away  
Everytime Your Fear Grows  
We Both Know How This Goes  
Love Astray

## Breathe

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

Sitting By The River  
Watching The Troubled Water  
Feeling The Chilling Hands Of Time  
Wondering What's All Happened  
To Make Me Sit Here Reflecting  
Trying To Contemplate My Life

The Mountains Are Softly Whispering  
Persuading Me Not To Give In  
Willing Me Gently Back To Climb  
Saying There's So Much In Store  
You Gotta Believe There Is More  
Reason Won't Come Without The Rhyme

Breathe, Breathe, Just Breathe

Been Sitting Here For Too Long  
Water's Still Moving Along  
Mountains Blend Into The Skyline  
I've Lost My Train Of Questions  
I Haven't Learned Any Lessons  
Can't Even Decipher My Own Mind

Regret Is My Daily Portion  
If I Don't Accept My Fortune  
Open Myself To The Divine  
Urging Me On To New Heights  
Golden Heart And Soul Unite  
Reason Will Come Out Of The Rhyme

Breathe, Oh-Oh- Breathe, Just Breathe, Just Breathe

There Is No Reason, No Reason Without The Rhyme  
No Reason Without The Rhyme, The Rhyme Of Time

## Disco V's

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

Dah, Dah, Dah, Dah...

I'm A Really Shitty Dancer And I Have All Cheesy Moves  
But Something Always Happens When I Hear The Right Grooves  
I Feel The Need To Shake It And To Do The Running Man  
Point My Finger Like Travolta, Swing My Head Like In A Trance

Wanna Boogie At The Disco, Feeling Sexy On The Dance Floor  
Where The Guys Wore Their Shirts Like Open V's

I'd Call You On The Dialer, Numbers Going Round And Round  
You In Those Cool Bell-Bottoms That You Always Wore To Town  
Me In A Skinny Jumpsuit Feeling Like A Kit-Cat  
Then We'd Make Our Big Escape Stealing Ol' Dad's Cadillac

Wanna Boogie At The Disco, Feeling Sexy On The Dance Floor  
Where The Guys Wore Their Shirts Like Open V'S  
Wanna Boogie At The Disco, Do The Slide And The Hustle  
Those Were The Days Of The Vintage 70'S

Where A Fever Wasn't Sickness  
Just Some Crazy Loving Fun  
Where Your Brothers And Your Sisters  
On The Dance Floor Were All One

Wanna Boogie At The Disco, Feeling Sexy On The Dance Floor  
Wanna Boogie At The Disco, Feel So Sexy On The Dance Floor

Dah, Dah, Dah, Dah...

At The Disco, At The Disco...  
At The Disco, At The Disco...

I Know You'll Keep Trying, So I'll Hold On Fast  
That Little Kid Trying To Break From The Past

You're Running Away  
Love's Gone In A Day  
It's All Faded Out  
It's All Turned To Grey  
You're Running Away  
Got No More To Say  
We've Been Here Before  
It's Your Double Play

You're Running Away  
Love's Gone In A Day  
It's All Faded Out  
It's All Turned To Grey  
You're Running Away  
Got No More To Say  
We've Been Here Before  
It's Your Double Play  
You're Running Away  
You're Running Away

Everytime Your Fear Grows  
We Both Know How This Goes  
Love Astray

## Maestro

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

Maestro, Maestro, Maestro  
It's A Long Way To Heaven, Maestro  
Don't You Know You Can't Choose The Way?  
Don't You Know You Can't Choose The Day?

There Was A Roman Maestro  
Arriving On His Steed  
He Brought With Him The Masters'  
Songs Of Antiquity

Now This One Special Maestro  
Performed Quite Noble Deeds  
He Told Us How To Master  
Every One Of His Needs.

Maestro, Maestro, Maestro  
Maestro, Maestro, Maestro

He Led The Choir Of Angels  
Along His Path Of Dreams  
He Made Them All Adore Him  
With Confidence And Ease

And So Our Valiant Maestro  
Was Glorified And Pleased  
Destiny In His Fingers  
Control Upon His Sleeve

Maestro, Maestro, Maestro  
Maestro, Maestro, Maestro

Maestro, Maestro, Maestro  
Maestro, Maestro, Maestro

Our Pretty Little Maestro  
With Locks Of Baby Curls  
Began To Strut His Power Began To Yell His Words

The Choir Breathed In Wrong Places  
And Didn't Keep The Beat  
He Waved His Arms So Wildly And He Stamped His Little Feet!

Maestro, Maestro, Maestro  
It's A Long Way To Heaven Maestro  
Don't You Know You Can't Choose The Way?  
Don't You Know You Can't Choose The Day?

The Days Of Glorious Maestro  
Were Numbered From The Start  
He Didn't Want To Share It  
The Music Of The Heart

He Fell Down Off His Podium  
Expelled His One Last Breath  
And Heard The Choir Of Angels  
Singing His Song Of Death

Maestro, Maestro, Maestro  
It's A Long Way To Heaven, Maestro  
Don't You Know You Can't Choose The Way?  
Don't You Know You Can't Choose The Day?

Maestro, Maestro, Maestro  
It's A Long Way To Heaven, Maestro  
Don't You Know You Can't Choose The Way?  
Don't You Know You Can't Choose The Day?

Oh No! Oh No! Oh No! Oh No!

## Date Night

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

Walked In The Bar Sat On My Usual Stool  
I Looked Around Feeling Like A Fool  
Picked Up My Phone Searchin' For His Face  
But It Was Gone, Gone To Cyberspace

I Looked Around Feeling Like A Fool  
Sitting There Upon My Usual Stool  
I Heard A Voice Deep As Double Bass:  
"How Are You Girl?"  
He Was My Saving Grace

And I Said:  
"Je Cherche L'amour  
Amour Toujours  
Je Cherche L'amour  
Amour Toujours..."

He Said To Me:  
"Hey Girl What Is Your Name?"  
If I Am Wrong, I'll Gladly Take The Blame  
Just Let Me Know, Tell Me What's The Deal?  
Oh Tell Me Girl, Tell Me How You Feel"

I Said:  
"Hey Babe, You Wanted Something New  
This Play Of Roles Is Something To Pursue  
Next Time You Ask I Promise Not To Say  
Just How I Feel In A Foreign Way"

And I Said:  
"Je Cherche L'amour  
Amour Toujours  
Je Cherche L'amour  
Amour Toujours..."

He Turned Around And Ordered Us Some Beers  
Sweat On His Brow  
I Could Smell His Fear  
I Said:  
"Hey Guy, Tell Me Are You Okay?  
This Play Of Roles Is Just Another Game"

"Je Cherche L'amour  
Amour Toujours  
Je Cherche L'amour  
Amour Toujours..."

"Je Cherche L'amour  
Amour Toujours  
Je Cherche L'amour  
Amour Toujours..."

## Letter To My Son

Lyrics By Jennifer S. Maines | Music By Jennifer S. Maines & Ralf Metzler

This Is A Letter To My Son  
I Wanna Tell Him He's The One  
The One Who's Given My Life Meaning  
The Kind That Everyone Is Seeking

Your Birth Was When My Life Begun  
My Earth Revolving Round Your Sun  
Your Blazing Force Gives Me Reason  
To Celebrate Life's Seasons

This Is A Letter To My Son  
Do You Remember All The Fun  
In The Park When You Were Swinging  
And Your Little Feet Were Kicking

Other Kids Looked On With Gladness  
Your Laughing Felt Like Sweet Caresses  
You Lit Your Light Deep In My Heart  
Your Sun Shines Brighter Than The Stars

This Song's A Letter To You, To You  
This Song's A Letter To You, To You  
My Son...

This Is A Letter To My Son  
Wish There Was More I Could've Done  
To Help You Through Those Dark Days  
The Time Your Small World Was A Haze

I Thank Your Will To Keep On Moving  
Your Strength, Your Grace, Your Pursuing  
Alone You Carried All The Burden  
You Saved Us Both From Fate Uncertain

This Is A Letter To My Son  
You Bring Joy To Everyone  
Your Voice Is Like A Summer's Evening, Like Moonlit  
Calm And Serene

I Hear The Happiness And Sorrow  
I See Your Stages Of Tomorrows  
I Feel A Part Of Me Fleeting  
Sometimes Just Knowing's More Than Seeing

It's Been A Blessed Adventure  
And A Joyful Time  
To See You Growing Up Into A Man

To Weave Your Path Of Life  
Striving For The Divine  
Leading Your Way In Life  
As Best You Can

This Song's A Letter To You, My Son  
This Song's A Letter To You, My Son  
My Son...

My Heart's A Part Of You  
My Soul Shines Bright Through You  
I Feel Graced By You, My Son

My Heart's A Part Of You  
My Soul Shines Bright Through You  
I Feel Graced By You  
My Son
